

EVENTS PROGRAMME 2020

27 - 29 MARCH **SEASON OPENS**

17 - 19 APRIL **WORKING WEEKEND**

Free accommodation to all visitors to come and help us work. You want to try out naturism on Inchmurrin, or you are a seasoned naturist and want to get to know the Scottish Outdoor Club? You are not averse to getting your hands dirty doing manual work? Then this weekend is for you! To show our appreciation to everyone contributing, accommodation on Inchmurrin will be free for all visitors participating. As this weekend is very early in the season, when the marks of winter will still be clearly discernible, the work to be done may include removing fallen trees, painting chalets, tables or benches, fixing roofs, but also giving the lawn a first mow or cleaning the clubhouse windows. If you have specific capabilities (like plumbing....), please let us know! Apart from the working, you will also enjoy the beautiful nature on Inchmurrin (the birds will be very active starting their breeding season), maybe a very daring skinny dip in the Loch, an invigorating session in our woodburning sauna, or a match of miniten. During the evenings, we will enjoy the clubhouse with its woodburning fireplace.

29 - 31 MAY **OPEN & MUSIC WEEKEND**

An opportunity for visitors to discover the S.O.C.; enjoy a ceilidh and social evening. Enjoy naturism on Inchmurrin – enjoy Scotland's nature during its (normally) finest season, enjoy club life and enjoy a Social with a ceilidh! During our annual Open Weekend the Scottish Outdoor Club is open for all who want to open their skin to the elements, who want their body & soul caressed by sun & wind. You will get this weekend at a rate of £ 50,- pp, including two nights accommodation in the clubhouse or a chalet. The boon: anyone who contributes to the ceilidh (as member of the band - please let us know what instrument you play, pianists or accordionists are particularly welcome!) or gives a solo contribution singing, playing an instrument or reciting poems will get the accommodation for free!

Enjoy the lovely feeling of sunshine and wind on your skin, and also the beautiful nature on Inchmurrin (the birds will be feeding their young), maybe a daring skinny dip in the Loch, an invigorating session in our woodburning sauna, or a match of miniten. During the Friday evening, we will enjoy the clubhouse with its woodburning fireplace.

12 - 14 JUNE LIFE DRAWING WEEKEND

Led by an experienced artist, all materials supplied. Enjoy a weekend on our club grounds, dedicated to artistic expression. Lifedrawing (the art of sketching, drawing or painting the naked human body) naturally lends itself to a naturist environment. During this weekend, you will be guided by an experienced artist – and all materials are included in the course fee (£ 50.-)

Apart from the lifedrawing, you will also enjoy the beautiful nature on Inchmurrin, maybe a daring skinny dip in the Loch, an invigorating session in our woodburning sauna, or a match of miniten.

26 - 28 JUNE WOMEN'S WEEKEND

A weekend for women to try out naturism for themselves. Are you a woman who wants to try out naturism? You are a seasoned female naturist and want to get to know the Scottish Outdoor Club? This women-only weekend is for you! To facilitate the shedding of unnecessary garments, the male club members are excluded on this occasion and no male visitors will be admitted. You will get this weekend at a rate of £ 36 - pp, including two nights accommodation in the clubhouse or a chalet.

You will not only enjoy the lovely feeling of sunshine and wind on your skin, but also the beautiful nature on Inchmurrin (the birds will be feeding their young), maybe a daring skinny dip in the Loch, an invigorating session in our woodburning sauna, or a match of miniten. During the evenings, we will enjoy the clubhouse with its woodburning fireplace.

24 - 26 JULY SPORTS WEEKEND

Mini-ten, table tennis, badminton, darts and a BBQ. Enjoy exercising your body in its natural state – enjoy competing for a trophy during a weekend dedicated to naturist sports! We will play miniten, badminton, table tennis, darts, and may even venture into the Loch for a swimming competition! Add to that a social on Saturday evening, sauna sessions.... You will get this weekend at a rate of £ 50 - pp, including two nights accommodation in the clubhouse or a chalet.
